

Verse #1

A journey awaits me down
the good path of life

A brighter future is what
I'm hoping to find

I'ma keep pushing forward
and never look back

Searching for a brighter
future, the goal that I'm
on track.

Chorus

Awaiting a happier life,
I'm gonna take the right
turn showing that there is
hope in life, I'll never lose
my concern, Awaiting a happier
life,

I'm gonna make the right
choice showin' that there
is hope in life, I'll never
lose my voice

Verse #2

I'm gonna keep workin'
hard for something better
my ambition is gonna be
my only letter, my dreams
are gonna be my true
goal, I'ma chase it
no matter how far
I go

Chorus

Awaiting a happier life,
I'm gonna take the right
turn showin' that there is
hope in life, I'll never
lose my concern Awaiting
a happier life

I'm gonna make the
right choice showin' that
there is hope in my life, I'll
never lose my voice.

Verse #3

I'm gonna keep my head
up high and never give
up never let the darkness
consume me, I'm gonna be
tough, I'ma keep pushing
forward and never down
in the sea no matter
how hard it gets, I'm
gonna keep believing

Chorus

Awaiting a happier life
I'm gonna take the right
turn showin' that there
is hope in life, I'll never
lose my concern Awaiting
a happier life

I'm gonna make
the right choice showin
that there is hope in
life, I'll never loose
my voice
